

# Minutes of meeting Meeting

31-05-2022 13:30-13:45

Attendees

Saeed Ba Wazir

Tutor:

Alenya Kartal

## Notes

- Make the tournament team vs team.
- Check the UML with the OOD teacher.
- The schedule will be created by the staff but the system will generate it.
- The system only registers the results and decides who the winner is.
- Try to focus on the core requirements and the major requirements this week
- Next week focus finish the minor requirement and finishing up the project
